ABOUT ECOVADIS

EcoVadis provides the leading solution for monitoring sustainability in global supply chains. Using innovative technology and CSR expertise, we strive to engage companies and help them adopt sustainable practices.

Our Mission

To reliably assess companies' CSR performance, providing them with comprehensive feedback, benchmarking and tools allowing them to embark upon a journey of continuous improvement.

Our Expertise

- Corporate Social Responsibility (CSR): our team of international sustainability experts analyze and crosscheck companies' data (supporting documents, 360° Watch Findings, etc.) in order to create reliable ratings, taking into account each company's industry, size and geographic location.
- Innovative technology: we offer access to web-based solutions, where companies can access the EcoVadis Scorecard and share information. These are highly secure online solutions which guarantee the safety of our users' data.

Our Methodology

The EcoVadis methodology is based on international sustainability standards (Global Reporting Initiative, United Nations Global Compact, ISO 26000), and supervised by a scientific committee of CSR and supply chain experts, to ensure reliable third-party CSR assessments.

Our Users

- Thousands of companies use the EcoVadis platform every month to respond to CSR assessment requests from customers, set and maintain corrective action plans and centralize CSR-related documents. We currently have 50,000 subscribers, spread across 150 countries and 190 industry sectors.
- Over 300 multinational companies use EcoVadis to monitor the CSR performance of their trading partners, including:
